PROBLEM STATEMENT FOR BUSINESSES

www.tropika.club

Problem 1

How to reach out to a wider pool of customers to try my service offerings

Problem 2

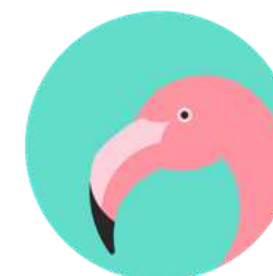

How to better optimise my non-peak or off-peak capacity, even at a discount

Problem 3

How to pay only when I get a successful customer booking

Reach out to more customers now

Tropika Club matches individuals with merchants and brands, connecting the user with brands and services based on his or her location and preferences and allowing merchants to offer time-based promotions and instant booking capabilities.

Target the right customers

Targeted at busy working professionals who place a premium on convenience and efficiency, Tropika Club will empower individuals to find the best beauty, wellness, and fitness deals, while enabling merchants to reach wider audiences at minimal cost.

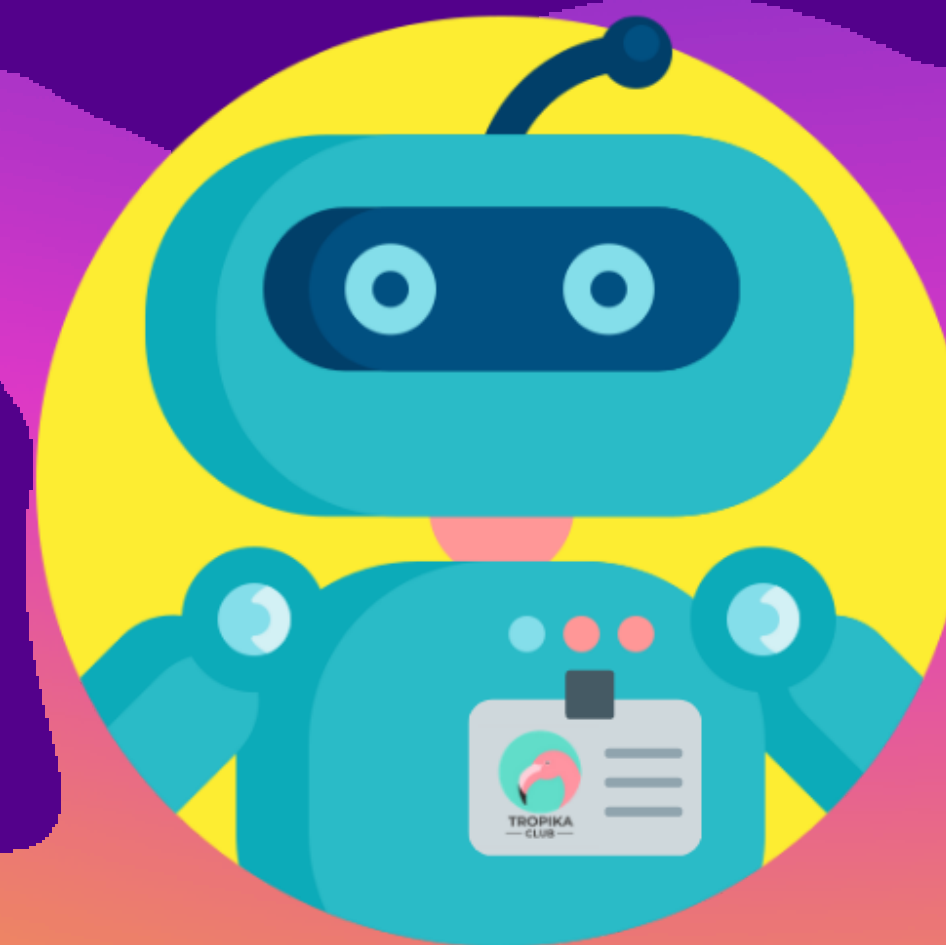

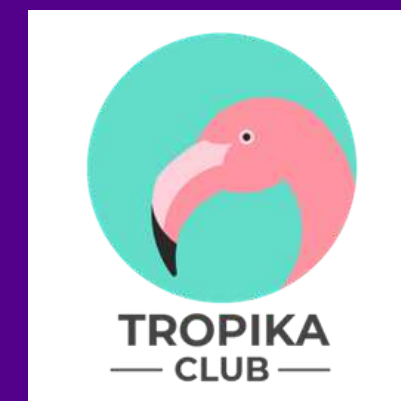

Optimise all your available slots

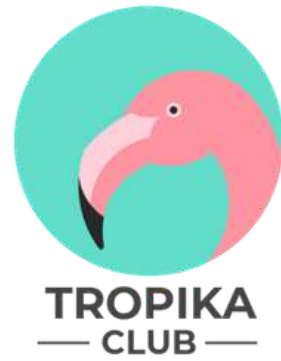

Time-based promotions are a win-win for both individuals, who may be available during off-peak hours, as well as merchants, which can leverage Tropika Club's platform to maximise revenue from off-peak slots.

Proprietary AI Promotion Engine

As part of its commitment to add value for merchants as well as individuals, Tropika Club uses a proprietary AI engine that will make recommendations to merchants/brands on the best or most appropriate discounts to offer based on their business model and objectives.

Increase Your Revenue

Tropika Club's user-friendly directory and marketplace brings new customers to you.

Guaranteed Zero Risk

We just want to help you grow your business with no risk. There's no initial payment and everything is free. We only charge you when you get a booking.
